Sabbath School, December 2, 2017, 9:00 A.M.

Welcome and thank you to our guest(s) for choosing to worship with us here at the Hayward Seventh-day Adventist Church. We are delighted that you have chosen to honor our Lord and Saviour Jesus Christ with us today on His holy Sabbath. May this special Bayside Christmas Sabbath service be a blessing to you and to our Lord, and may your heart be filled with joy and gladness. ***The three angels of Revelation 14 represent the people who accept the light of God's messages and go forth as His agents to sound the warning throughout the length and breadth of the earth. Christ declares to His followers: "Ye are the light of the world."*** *[Matthew 5:14, Counsels for the Church, 58.5]*

Carlton H. Oler, Ph.D., HSP, MAC, BCPCC

Carlton Oler is returning again to the Hayward Adventist Church by popular demand. He is a psychology professor at Gavilan College. Dr. Oler was raised in San Francisco, California, and has been fortunate to amass clinical and teaching experience (e.g., staff clinical psychologist, clinical supervisor, consultant, associate professor of psychology and counseling) in a variety of mental health and academic settings around the United States.

For recreation, he runs! (especially 5K races), plays Scrabble, tries to keep up with the latest holistic health advances, and travels. He is a strong believer in the adage, "An ounce of prevention is worth a pound of cure," and therefore strives in his own life to practice a lifestyle (i.e., NEWSSTARTT) that not only prevents disease but maximizes overall (holistic) health. If you're interested in a career in psychology or want information on how to achieve optimal overall health, feel free to contact him at

Greetings from member

Sandra Hays

Thanksgiving greetings from San Diego! I, Sandra, am still living with my folks since Mom couldn't stay at home if I wasn't here. Her health has deteriorated quite a bit since I moved down. She now has hospice care.

Both Dad and I share duties. Mom is bedridden, and he isn't strong enough to turn, lift or move her. He also has a caregiver come in from 11 - 2 M-F. That way he can get out/run errands while I am at work.

Work keeps me busy learning a new job. Caregiving keeps me busy the rest of the time. So, I haven't even unpacked everything yet! Most of my stuff is unorganized in a storage unit.

I have been attending the San Diego Clairemont Adventist Church. It's west of 805 and south of Balboa Ave.

My aunt, uncle, and cousin came this weekend to celebrate Thanksgiving with us on Sunday. Hope you have a Happy Thanksgiving.

My contact information hasn't changed. I would love to hear from you and see you if you are in town.
