

## Sabbath School, October 27, 2018, 9:00 A.M.

Welcome and thank you to our guest(s) for choosing to worship with us here at the Hayward Seventh-day Adventist Church. We are delighted that you have chosen to honor our Lord and Saviour Jesus Christ with us today on His holy Sabbath. May this Sabbath service be a blessing to you and to our Lord, and may your heart be filled with joy and gladness. *The three angels of Revelation 14 represent the people who accept the light of God's messages and go forth as His agents to sound the warning throughout the length and breadth of the earth. Christ declares to His followers: "Ye are the light of the world."* [Matthew 5:14, Counsels for the Church, 58.5]

Dear Hayward Church family,

The funds collected from this event will be spent towards the construction of a new church in a remote area of the Philippines where much help is needed. On top of the construction, our group will be going to the Philippines in February 2019 to conduct revival meetings, medical rally, health lectures, church dedication, and God willing baptisms.

Members that are going will spend their own money for airfare, board and lodging. All funds collected will go towards this Philippine project, and a portion of the funds will also be given to our Hayward Church remodeling project.

The fundraiser concert is just one of our numerous fundraising activities, and we pray our goal of \$15,000 will be met before the end of this year.

With regards to the concert, we have invited 5 different artists (soloist, guitarist, and violinist) from both our local Hayward Church and outside. Tickets are being sold for both the concert and dinner, but if those interested cannot afford a ticket, we encourage them to come anyways.

This event is open for all!

Thank You and God Bless!

## *East Bay Creation Science Association*

### **Meets Every Third Sabbath**

**\*\*\*Next Meeting November 17, 6:30 pm\*\*\***

at the Hayward Seventh-day Adventist Church  
26400 Gading Road, Hayward, CA 94544

The East Bay Creation Science Association is newly formed, and will meet the third Sabbath of each month, in the evening. The purpose of the association is to bring to light evidences from science that support the Biblical accounts of a recent six-day creation of the earth, and of the world-wide flood.

*All are welcome to attend!*
